Tube Lines

Let MIS Run A Course In Your City - 3 Options:

SAVE UP TO
50% WITH
IN HOUSE
TRAINING

1. In-house Training - Save Up to 50%

In-house tailored training will enable you and your colleagues to make significant savings. MIS charges per day and not per participant so that the cost remains the same regardless of how many people attend.

2. You Choose The Course, MIS Will Do The Rest

Simply tell MIS which course you would like to run in your city and they will work with you to schedule this at a time to best fit with your schedule. There is no obligation from you, simply email your course idea(s), location & ideal dates and MIS will do everything else.

3. Are you a Member of an IIA or ISACA Chapter ?

MIS have worked together with many IIA/ISACA chapters around the world to deliver first-class training to their members. Ensure that your members receive the best training at discounted rates. Let MIS know which course you and your members are interested in and MIS will schedule the dates in your city.
